- Pass other vehicles only on the left; signal your intention before changing lanes.
- Never pass a stopped school bus.
- Yield to drivers who have the right of way.
- Never drive under the influence of alcohol or drugs.
- Use your seat belt (even if it's *not* required by law in your state).

Drive Sensibly and Defensively

- Correctly position mirrors and seat before you start.
- Never tailgate; stay at least three car distances behind the driver ahead of you.
- Don't insist on the right-of-way if the other driver will not yield it.
- Dim your headlights for oncoming cars and those ahead.
- Be aware of what's happening several vehicle lengths ahead and behind you.
 - ☛ **Expect the unexpected:**

 - People, or animals, darting into the road
 - Swerving cyclists
 - Potholes or debris in the roadway

Take Bad Weather Precautions

- ☛ **Improve visibility:**
 - Use wipers, defroster, and headlights.

- Be sure that scheduled maintenance checks are carried out in time.
- Be alert to below-par performance of any equipment; have it attended to promptly.
- Don't abuse your vehicle by driving too fast over bumpy terrain.
- Don't make unnecessarily sharp turns or sudden stops and starts.
